

Sagitta
1945

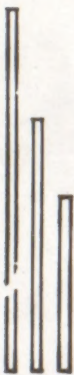

THE SAGITTA 1945

FOREWORD

•••

We, the class of '45 proudly present the "Sagitta," hoping to give a brief but vivid glimpse of these four years in our Alma Mater. It has been our earnest endeavor to make this book serve, not only as an enjoyable but also as a potent reminder of our carefree High School days.

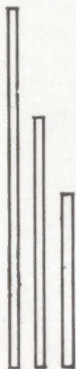

•••

DEDICATION

•••

To all those from the class of 1945 who are in the military service of our country and who are giving up so much for the principles of the democracy which we so dearly love, we, the senior class of Suffield High School, do proudly dedicate this Sagitta.

•••

President: Jane Warner
 Vice President: Ronald Sullivan
 Secretary: Constance Lil
 Treasurer: Frank Pacewicz

STUDENT COUNCIL

The Student Council has been a very active group this year with Margaret Trudo, President; Hamilton Sikes, Vice President; and Jean Bailey, Secretary-Treasurer.

All classes were equally represented, each having three members in the council.

Many projects were undertaken, including: the revision of the constitution of the council, the adoption of the Honor Study Hall and the school seal, and the promotion of sales of war stamps and bonds.

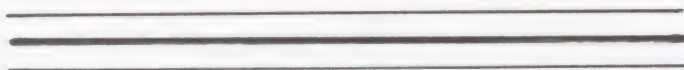

SAGITTA STAFF

In September, work on the Sagitta was begun with the following staff: Margaret Trudo, Editor-in-chief; Barbara Noble, Literary Editor; Barbara Bacon, Barbara Coates, Frances Laskowski, Art; Roy Gallant, Paul Ford, Jack Fleming, Margaret Butchon, Thomas Kopernik, Advertising; Marilyn Orr, Betty Stratton, Photography; Teresa Conte, Alberta Adams, Publicity. The efforts of the staff are herewith presented to you.

SENIOR PATROL

The purpose of the Senior Patrol is to direct traffic and to encourage courtesy in the corridors and on the campus. The patrol was given the full support of Mr. Sisson so that it could carry on its duties successfully. Paul Ford, President; Lewis Cannon, Secretary.

READERS' REFLECTION

Many seniors were on the staff of the Readers' Reflection this year with Margaret Trudo, Editor-in-chief and Alice Healy, Associate Editor. Delegates from the staff attended the state Scholastic Press Association Convention in New Haven.

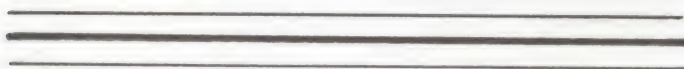

Early in the fall the staff sponsored a sport dance, the receipts of which made it possible for us to continue sending the paper to Suffield High boys in service.

SENIOR DRAMATIC CLUB

The Dramatic Club was again formed under the direction of Miss Biggerstaff. The officers are Barbara Noble, President; Beverley Hayden, Vice President; Lewis Cannon, Secretary; Paul Ford, Treasurer. During the year several one-act plays were presented for auditorium programs.

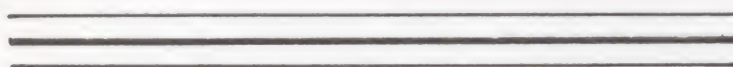

THE CHRISTMAS ROSE

The Senior Dramatic Club, under the direction of Miss Biggerstaff, presented the one-act play "The Christmas Rose" for a Christmas Assembly. The cast was as follows reading from left to right: Dorothy Schreck, Herman Roesberg, Marilyn Orr, Donald Welt, Carl Reed, Jeanne Palmer, Thomas Kopernik, Margaret Trudo.

FRENCH CLUB

The French Club is a new club to Suffield High School. It was organized by Miss Poirier to give the members an opportunity to use conversational French. During the meetings the time is spent preparing French plays, playing games in French, reading French stories, and speaking French.

LIBRARY CLUB

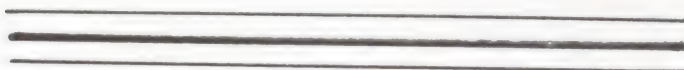

The Library Club does everything possible to aid the pupils who use the library for class purposes and recreation reading. The members keep the library as cheerful a place to work in as they can. Some of the routine work to be done in the library by the members is keeping all books in their special places and checking books in and out for the pupils to read.

The Library Club sponsored a successful record dance in the auditorium.

Officers of the club this year are Marilyn Orr, President; Ruth Merrill, Vice President; Hazel Campbell, Secretary; Jeanne Bailey, Treasurer.

BOYS' BASKETBALL

The varsity basketball team chalked up a successful season. Coach H. C. Brown, who turned in a fine tutoring job, slated a 22 game schedule. Suffield is in line for many more good seasons, as the underclassmen played a big part in making this one successful.

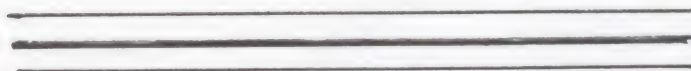

GIRLS' BASKETBALL

This year's Girls' Basketball Team is the first from Suffield High School that has played in competition with neighboring schools. Considering this fact the girls did very well, and we hope for even more success next year.

BOYS' BASEBALL

Early this spring the varsity baseball team began its practice. Nearly all of the members of the team are veterans of last year. Having established a reputation in the games of the previous year, the team is expected to make a record for Suffield High in 1945.

GIRLS' BASEBALL

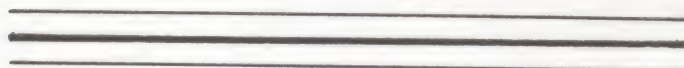

The baseball team coached by Mrs. Ganley started practice in the early spring with much enthusiasm. Several games were scheduled with neighboring schools and because of the cooperation and fine sportsmanship shown by the players, we had a very successful year.

SOCCKER

The soccer team made its first appearance at Suffield High School this year with a six game schedule. We were victorious in one, tied one, lost three ~~and~~ one was canceled. With the initial step taken, we hope to have a better season next year.

CHEERLEADERS

The cheerleaders with the exception of Jean Blakeslee, who is a new member in the group, have been on the squad for two years. Left to right: Jean Blakeslee, 2, Ruth Rock 2,3, Barbara Coates 3,4 (Captain), Barbara Horanzy 2,3, Jessie Majeski 3,4, Jean Romano 2,3.

GIRLS' GLEE CLUB

The Girls' Glee Club, under the supervision of Miss Wolf and Mrs. Convey, has been going active since school began in the fall. Every Thursday the girls meet to sing songs of all types from the classical to the popular. The members showed the results of their year's work in helping to make the Spring Concert a success.

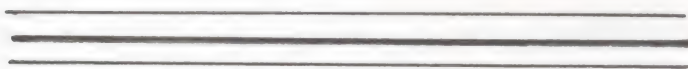

BOYS' GLEE CLUB

Under the direction of Miss Wolf, the Boys' Glee Club sang, both as a group, and with the Girls' Glee Club at various programs and assemblies.

ORCHESTRA

The Suffield High School orchestra originated in 1939. Since then it has improved greatly. It is now under the direction of Miss Marjorie Wolf, who also gives instruction in various instruments. The members have played at numerous assemblies and former graduation exercises.

SUFFIELD GIRLS' CLUB

The officers of the Girls' Club are Barbara Horanzy, President; Ruth Rock, Vice President; Hazel Campbell, Secretary; Dorothy Schreck, Treasurer. The purpose of the Club is for social entertainment for the members. For some time the club has been assisting the Junior Red Cross and are planning to give a play some time in the future.

CLASS HISTORY

In September, 1941, an excited group of students entered Suffield High School. True, this was not our first glimpse of the school because we had been here for two years before this eventful day, but this occasion was different. This time we were Freshmen! We got off to an excellent start as high school students by electing Edward Reynolds as our president, Alberta Adams as vice president, Fred Bednaz as our secretary, and Margaret Trudo as treasurer. Our first social event was a Halloween party held in the auditorium. In the middle of the winter we had a skating party that was "piles of fun" for everyone. Before we realized it, plans were already made for our closing outing at Babbs' Beach. After an exhilarating day at Babbs', we went our separate ways for the summer.

When we returned to school in September we settled down to the serious business of electing the following officers: Lewis Cannon, president; Paul Ford, vice president; Eileen Sullivan, secretary; Marilyn Orr, treasurer. Our sophomore year was a comparatively quiet one. We purchased our class rings, which earned the admiration of everyone who saw them. The year fled by and suddenly our sophomore year was finished.

September rolled around again and another school year started. This time we were upper classmen and did we love it! To get off to a good start we elected Paul Ford as president, Margaret Trudo as vice president, Eileen Sullivan as secretary and Roy Gallant as our treasurer. To get the social ball rolling the Juniors sponsored the first dance of the season which was a great success. After the Christmas holidays we met to discuss plans for the Junior Prom. Following many weeks of preparation the great night arrived. Helen Markowski was chosen as the May Queen. Her attendants were Barbara Bacon, Hazel Campbell, Marilyn Orr, Betty Stratton, Eileen Sullivan, and Margaret Trudo. During the year many juniors gained prominence around the school. Donald Welt was chosen the best citizen among the boys. For this honor he was sent to Boys' State for a week. Several juniors participated in American School of the Air programs; these juniors were: Donald Welt, Hazel Campbell, Marilyn Orr, Herman Roesberg, Thomas Kopernik, and Barbara Noble. To close our junior year we planned a party at Babbs' on the last day of school. Though the sun was not too bright, our spirits were and everyone enjoyed himself immensely.

September 1944. That is a date we will all remember because on that date we entered Suffield High as seniors. We started our busy year by electing Roy Gallant president, Donald Welt vice president, Eileen Sullivan secretary, and Paul Ford treasurer. We insured the success of our yearbook when we chose Margaret Trudo as editor-in-chief. Our yearbook committee got right to work and on November second we had our graduation pictures taken at Brown's Studio. Although as seniors we have not sponsored any social events, we have not been inactive. The senior boys formed the Senior Patrol and both boys and girls formed the Senior Dramatic Club. Our play "The Christmas Rose," was presented at a Christmas assembly and another, "The Unvarnished Truth," was given later. During our senior year the Student Council was reorganized and Margaret Trudo was elected president. Through the combined efforts of the yearbook committee, the Student Council and the sophomore class a school seal was designed. Our newspaper, "The Readers' Reflection," went on to fame with Margaret Trudo as editor-in-chief. We are looking forward to graduation but our graduation will be slightly different than other graduations in Suffield High, for many of the boys of our class will be in the Armed Forces. Joseph Kablick and Jack Fleming have already left for the service and many other boys are planning to leave for the Army or Navy before graduation. We wish all the boys the best of luck in whatever they may be called upon to do. As for the rest of us we shall go on to other tasks but we shall never forget our happy high school days.

BARBARA NOBLE

PROPHECY

1 9 4 5

CLASS PROPHECY

This is station S. H. S.

Good morning everybody. It is now exactly ten minutes before nine o'clock, June 28, 1956.

Folks it's sensational!! The new-super Hijeck's Handy Household Hampers; it's sweeping not only the nation but the whole world! For local buying see Cannon Household Furnishing Co., corner of Bridge and Main. And now, Hijeck's Handy Household Hampers brings you the latest news by your S. H. S. reporter Betty Stratton.

The highlight of the news of the day is the awarding of the Nobel Prize to Suffield's prominent citizen and world famous scientist, Professor Herman Roesberg for his meritorious achievements in the discovery of a cure for colds. We must also acknowledge the faithful assistance of Carl Reed. Cure-Cold Capsules are now being produced by Gawel and Grabowicz, Inc.

World War II Ace, Roy W. Gallant, now president of the International Airways, Inc., who donated the five million dollars for the building of the John Michael Fleming Eyo and Eor Hospital will be the honorary guest of Mayor Noble at the dedication exercises to be held in the newly completed hospital. The executives Paul Ford and Bruno Zeneski have been fortunate in obtaining the services of the famed surgeon Doctor Jennie Alexandria Kozikowski as Chief-of-Staff. Assisting her will be Doctors Gogulski, Majeski, Porkorzelski and Danise. Miss Frances Levandowski has been named head nurse, with four local young women on her staff: Margaret Butchon, Alberta Adams, Mary Kement and Dorothy Schreck.

Beverly Hayden, formerly of Suffield is returning to render her services as switch board operator.

And now for the sport news of the day! The Olympic swimming award of 1956 has been presented to our own Helen Markowski. In the finals Miss Markowski swam against Barbara Coates, the former free style champion. In the semi-finals Barbara Bacon and Hazel Campbell were the losing contestants.

The Suffield Sharks overthrew Pittsburg last night in Madison Square Garden by the overwhelming score of 74 - 28. Margaret Trudo, center forward of the Suffield squad, scored 54 points which makes her the highest scoring forward of girls' pro basketball to play in Madison Square Garden. The other 20 points were scored by the supporting forwards, Edna Prattson and Jeanne Palmer. Official referee was Marilyn Orr.

And now Donald Welt

On the stage tonight through Tuesday at "Sheridan's Silver Star Theater" are Arnold Craig and his "Solid Senders" with vocalist Dorothy Newman. Beginning Wednesday will be the great acrobatic team of "Siemonko and Laskowski."

Miss Stratton will now give you the last minute bulletins as the time will allow.

Thomas Cooper, manager of the Suffield Trucking Company, announces that his company will sponsor a radio program beginning Monday and featuring Alvin Pierce, the well know ventriloquist. He will be assisted by Joseph Kablik, singer of sweet songs.

The Conte Cosmetic Company was razed by a fire today, a loss estimated at ten thousand dollars. Miss Sullivan who was purchasing a new comb for her well known collection is now suing for damages of her Chinchilla coat which was destroyed. Attorney Elizabeth Lovely will be defense lawyer for the Conte Cosmetic Company. Time is running short so we will now sign off for the class of "45". This is your S. H. S. reporter saying. "Nothing succeeds like success!"

CLASS OF '45

In nineteen hundred forty one,
Our freshman year has just begun.
Ahead lies knowledge to be gained
So soon this learning we have claimed.

Entering school as sophomores now,
To increase our scope we all do vow
For we know that future soon will hold
Years of toil and trials untold.

As juniors now we walk the halls
And soon we see life's many falls,
But gayeties outnumber them
And life, to us, is a bright, rare gem.

Our dearest year, for it's our last
We try to keep within our grasp.
Yearbook, graduation, all
Are too soon gone beyond our call.

Beloved companions now depart
With thoughts of school deep in their hearts
Good bye, dear school days young and gay
As now we go our separate ways.
